

FOOD SAFETY POLICY FOR NATURE RIPE KILIMANJARO LIMITED

Natureripe Kilimanjaro is dedicated to producing safe and high-quality food products for our customers. We are committed to maintaining the highest standards of food safety, hygiene, and regulatory compliance throughout our operations.

OUR COMMITMENTS:

- 1. Compliance:** We will comply with all applicable food safety laws, regulations, and industry standards. We will stay informed about changes in regulations and continuously update our processes to ensure compliance.
- 2. Risk Management:** We will identify, assess, and manage food safety risks associated with our products and processes. We will implement control measures to prevent foodborne hazards and ensure the safety of our products.
- 3. Hygiene and Sanitation:** We will maintain clean and sanitary facilities, equipment, and utensils to prevent contamination. We will establish and enforce strict hygiene practices for all employees and visitors to our facilities.
- 4. Training and Education:** We will provide ongoing training and education to our employees on food safety principles, hygiene practices, and regulatory requirements. We will empower our employees to take responsibility for food safety at every stage of production.
- 5. Traceability:** We will implement systems to trace our products throughout the supply chain, from raw materials to finished goods. We will maintain accurate records of production, processing, and distribution to facilitate traceability and recall procedures if necessary.

6. Continuous Improvement: We will continually monitor and evaluate our food safety performance to identify areas for improvement. We will implement corrective actions and preventive measures to enhance the effectiveness of our food safety management system.

- **Responsibility:**

It is the responsibility of every employee at **Natureripe Kilimanjaro Limited** to adhere to this food safety policy and contribute to the achievement of our food safety objectives. Management will provide the necessary resources, support, and oversight to ensure the successful implementation of this policy.

- **Communication:**

This food safety policy will be communicated to all employees, contractors, suppliers, and other relevant stakeholders. It will be prominently displayed in our facilities and made available to anyone who requests it.

- **Review and Update:**

This food safety policy will be reviewed annually and updated as necessary to reflect changes in our operations, regulations, or best practices.

At **Natureripe Kilimanjaro Limited** we are committed to ensuring the safety and integrity of our food products. We believe that by upholding these principles, we can earn the trust and confidence of our customers and contribute to the well-being of the communities we serve.
